Will Pocket Watches and Watch Chains be back in style? Anyhow, every Lion is watching to see if Lion Sonka is going to buy a watch chain for his key membership emblem.

"Too many parties the night before" was the reason given for the small attendance at the Business Men's breakfast meeting Tuesday morning. We feel that too much work done in committee meetings is the reason.

☆ ★ ☆

Th San Diego County Telephone Directory advertising salesman paid us a visit this week. We criticised the listing in the Directory as being misleading. For our correction we need the approval of the Better Business Bureau. Apparently you don't need this approval for misleading statements.

We want to be listed as the only newspaper printed in Lemon Grove, because the newspaper printed in Lemon Grove is the only newspaper entitled to be classed as a legal newspaper.

We have the only completely equipped Job printing office in Lemon Grove, but we were not listed as such. All we want is a square deal. The camouflage used by the La Mesa printers to divide and conquer Lemon Grove for the benefit of La Mesa should become more apparent every day. They are using their offices here as outposts to benefit their La Mesa advertisers. To give Lemon Grove institutions the publicity we are giving, we need not only paid adertising, but we must have all your job printing orders.

We don't belong to the La Mesa Business Men's Association, because we don't want any advertising or job printing from La Mesa till we put a newspaper and job plant into La Mesa, better than they have now.

Miss Patty Pipkin was guest of honor Friday evening at a prenuptial linen shower, and the occasion was also the birthday anniversary of Miss Pipkin.

Miss Doreen Dunton was the hostess and held the happy affair in her home on Central Avenue. Games were played and prizes awarded to Wanda Taylor, Virgeland Van Mote and Mrs. R. C. Pipkin.

Two cakes were served to the guests; one a birthday cake, and one a congratulatory cake for her approaching marriage, planned for Easter.

Guests were Miss Barbara Zeis, Miss Frances Blake, Miss Doris Hollinger, Miss Virgeland Von Mote, Miss Pat Rogers, Miss Mildred Wlecke, Miss Marjorie French, Miss Alma Sorlee, Miss Margaret Butler, Miss Joanne Coruse, Miss Wanda Taylor, Miss Doreen Dunton, Mrs. R. C. Pipkin, Mrs. Arden Dunton, Mrs. C. L. Good and Mrs. Frank Dunton.

Forward Club Speaker Asks Aid For Navajos

The Lemon Grove Forward Club members met Friday, March 25, at 2:00 p. m. with 32 ladies present.

During the business session, it was voted to buy forks with the money given for that purpose some time ago. They also voted $5.00 toward the Crippled Children's Fund, and to pay convention and other expenses of their president, who uses her car so often in club business.

Mrs. L. D. Newton said she had taken a child to the swimming pool last week, and other Lemon Grove women could assist in the future, by transporting the crippled children to the pool.

A play which the Drama Section is rehearsing, will be ready for presentation after Easter, announced the drama chairman, Mrs. Schuyler Read.

The program chairman, Mrs. C. F. Baxter, introduced Mrs. Anna La Motte, state chairman of Indian Welfare for the Federated Clubs.

Mrs. La Motte gave a very interesting talk about the Indians in our country, and made a plea for assistance for the Navajos, who, in her opinion, have been so neglected by the government.

There were 10,000 volunteer among the Indians in World War I, and as they were made citizens since that time, they were eligible for draft in the last war, about 30,000 of them serving. California declared the Indians citizens 100 years ago.

There are now 23,571 Indians in California. In this state they are entitled to old age pensions and social security, but this is not so in some of the other states. In Arizona and New Mexico, they get no assistance, and since the Navajos of Arizona have a high tuberculosis rate, due in part to malnutrition, they need aid. There are 24,000 school age children in Arizona, and not nearly all go to school. Orphan children get no education at all, as they have to herd sheep.

Mrs. La Motte tries to interest all clubs in philanthropic work among "her Navajos." Agift of $72.00 per year would equip a school, $8.00 per month would support an orphan. An outlay of $10.00 would provide the necessities for an infant.

It was largely in the Navajo country that North Island planes flew in food and medicines during big snows last winter.

In a recent trip to Alaska, the speaker noticed much tuberculosis among the Eskimos there. In children, 95 per cent of it infested their bones.

Mrs. La Motte has been interested in Indians for many years, and is very happy to receive aid for them, as a result of her speeches.

Adventists Start Funds Drive for Humanitarian Aid

Seventh - day Adventists are launching a drive for funds to carry on their world-wide humanitarian work April 2, it was announced today by Charles H. Betz, pastor of the local Seventh-day Adventist Church.

This will mark the 41st consecutive year that Adventists have conducted a house-to-house solicitation campaign for contributions to aid medical, educational and missionary projects in all parts of the world.

"Funds from the drive, known as "Ingathering," will help support a system of 167 medical institutions and 290 colleges and secondary schools, and other projects being carried out by missionary doctors, nurses, teachers and ministers located in 226 countries," the pastor said.

"Many of the medical and educational institutions are located in areas otherwise beyond the reach of civilization," he said. "Among the scores of projects to be carried out are: equipping of the surgery department of a sanitarium-hospital in Rio de Janiero; supplying of medicines to be dispensed by a mission motor launch fleet to natives living along the Amazon River; and enlargement of an African leper colony."

The Ingathering goal for the local church has been set at $2,265.00. The over-all goal for the drive is two and a half million dollars.

Mrs. Helen Pfeiffer is the chairman directing the campaign.

C of C Will Ask County to Improve Roads

The Road Committee of the Lemon Grove Chamber of Commerce has worked out a program for this year, which it is hoped will have the support of all, for improvement of the roads of this district.

As you know many roads are narrow and our increased population has in places created a need for wider roads. It is therefore proposed to ask the County Road Department to grade and surface the following roads and streets to their full width:

Palm Street, from Imperial to Troy and Valencia.

Main Street from Central to San Miguel.

Central Street from Broadway to Main Street.

Washington Street from Golden to Alton.

Alton Street from Glencoe to Skyline Drive.

Cypress Street from Imperial to Alton.

Extend Pacific through to Massachusetts.

Secure rights of way while property can be had cheaply, to make it possible to make Imperial Avenue a four lane highway from Encanto to Broadway in Lemon Grove.

Widen Golden Avenue from Imerial to Washington.

Provide proper shoulders and oil same on all streets.

Correct drainage problems where needed to prevent water standing in the streets at low points.

Check and relocate culverts if necessary.

It is the intent and purpose to ask that the County Road Department grade and surface these streets to their full width, so that they can be used for the purposes for which they were acquired.

Large Crowd At Opening Of New Church Building

The big night for the Congregationalists occured Tuesday, as the Ladies Aid Society started serving a ham dinner in their new kitchen and dining room at 5:30 p. m.

A large crowd arrived to enjoy the opening, and the new quarters proved very satisfactory indeed to the ladies who served the dinner.

About 8:00 p. m., Mrs. Al Cronquist was mistress of ceremonies for a program:

The choir, under the leadership of DeWitt Mytinger, rendered three selections and Mrs. Mc Kinnie of Memphis, Tennessee, gave two humorous readings.

Two speech students from Grossmont, taught by Miss Beulah Shriver, gave very fine selections. Miss Beverly Long and Jim Lambert proved very popular with the crowd.

Mr. and Mrs. Walter Toomire entertained with several piano and saxaphone selections, and led community singing.

Several young people of the church then presented a skit, "We Built the New Church" under the direction of Mrs. Cronquist. They were in costume and the number was a grand succeess.

All the Church School rooms on the first floor and the office and pastor's study were open for inspection, and all agreed the new building was a great addition to the church's facilities for serving Lemon Grove.

Community Meet Set for April 11 at Forward Club

What place will a Community Center building have in the future of Lemon Grove?

This is a pertinent question and its solution depends in a large measure upon you and your neighbor. Your interest and support will determine whether a first class Community Center building can be erected, operated and maintained successfully, and its facilities will be of benefit only as you and yours use them for your cultural, social and civic activities.

These questions and many others pertaining to our proposed new Community Center building will be discussed at a meeting on Monday April 11, at 8:00 p.m. at the Forward Club House in Lemon Grove. The Lemon Grove Chamber of Commerce invites you to attend and join in the discussion. Mr. Parks of the County administration will be there with plans and specifications for this building, and perhaps you have some ideas that can and should be included.

Bring your friends and make this a real Community Meeting for something that should be of great benefit to the district as a whole.

Don't forget the date and place: April 11, at 8:00 p. m., at the Forward Club House in Lemon Grove.

Find Red Cross Allotment Unused; Quota Unraised

A group of representatives from various organizations in the community held a meeting in the Congregational Church Monday evening March 28.

Those attending were Mrs. A. L. Shepherd, from the Business Women's League; Rev. Dan Apra of the Congregational Church; Mrs. Ruth Richardson of the Theta Omicron sorority; Mrs. W. M. Tucker, Jr. of the Monterey Heights Civic League; Mrs. Ted Haaf, representing the Forward Club, and Ted Haaf of the Chamber of Commerce.

Mrs. L. D. Newton was re-elected as chairman for another two years. Mrs. Madge Bice of Monterey Heights was elected as vice chairman, and Mrs. Steven Westover was reelected secretary-treasurer.

A special meeting was called for April 25, and it is hoped that more organizations will send representatives.

Lemon Grove residents do not seem to realize that there is a local Red Cross organization in the community. The fund is for welfare work, and if it is not used it will not be allocated in the future. Many of the local organizations raised funds for welfare during the year, and families in need were remembered, especially at Christmas. One family received five baskets at that time and many other duplications took place. If the Red Cross took charge of this matter and became a clearing house for welfare, it would be more efficiently handled.

During the current drive for Red Cross funds, some Lemon Grove soliciting should have been done by local organizations. The quota for this community is dowabout $700. Since no one has done anything about raising this amount, except Miss Annie Radcliff, less than half that amount has been realized to date.

If Lemon Grove does not meet its quota, and does not use the funds allocated to it for welfare, they will cease to receive them in the future.

No one has bad intentions in this matter. They do not know the facts, and many of them do give in San Diego, which does not help Lemon Grove.

Let us then help the Red Cross to help us to provide for our needy and unfortunate residents.

Vista La Mesa School Opens with Enrollment of 216

The new school in Vista La Mesa opened Monday morning, March 28, with an enrollment of 216 in the kindergarten and first five grades.

The children and staff are very happy in the fine new building, which already is filled to capacity.

A phone was installed Monday evening, and the secretary is busily getting the office in running order. Principal, A. W. Thomas, has a huge task organizing classes, and attending to all the other details which confront a school principal, especially in a brand new school.

Workmen are grading the grounds, which makes it difficult for the children to have adequate playground accomodations as yet.

The roads leading to the new school are in rough condition, but steps are being taken to eliminate this difficulty in the near future.

Second Annual Bunny Contest Gets Under Way

Plans are under way for the second annual Bunny Contest for the children of Lemon Grove.

Last year a contest was held, and drew about 250 interested children.

This year 13 local business men have been contacted, and agreed to donate prizes, and local art classes plan to make posters to be placed in the windows.

Local merchants who will contribute are Broadway Auto Supply Co., Lindleys Drug Store, O'Connors Specialty Foods, Hamiltons Texaco Station, Avalon Cafe, Brownies Department Store, Grove Theatre, Lemon Grove Variety Store, Louie and Rod's Service Station in Monterey Heights, Monterey Snack Shop, Firestone Home and Auto Supply, Lemon Grove Shopping Center and Lemon Grove Hardware Store.

Each of these merchants will make up an Easter basket as a prize, and display it in his window, along with a poster. There will be a box available for each child to enter his name. Handbills will be given out with a coupon to fill out for each child under 14. Only one entry may be made by each child, and the child must be present when the awards are being made to be eligible for a prize.

The awards will be made at the Lemon Grove School April 16, at 1:00 p.m. The first prize will be a pair of live blue satin rabbits, and they will be on display Monday morning in the Broadway Auto Supply Company on Broadway.

All children in the Lemon Grove school district are eligible to enter the Bunny Contest.

It is hoped to make this an annual affair for the children. It is expected the contest will grow larger each year, and be something children will look forward to from one year to the next.

It is not an advertising stunt, or money making plan. It is purely an event to bring happiness to children.
